VHS Tapes and DVDs
Each drawer can house up to 56 VHS Tapes or 88 DVDs.

Audio Cassettes
Each drawer can house up to 138 Audio Cassette Tapes.

Compact Discs
Each drawer holds up to 168 CDs in Jewel Cases — 336 in CD sleeves. Due to the added height of CDs, use the 5-(40") drawer.

Multimedia Tambour Cabinet

High-volume media storage in a locking door cabinet

These cabinets give you complete access to CDs, DVDs, VHS tapes and audio cassettes – all-in-one cabinet! Sliding tambour doors retract into the cabinet walls saving valuable floor space. Keyed locking system keeps contents secure. Roll-out drawers extend fully to allow 100% access to media. Each drawer includes 5 dividers for organizing. Available in 5 or 6-drawer units, each 40" cabinet can hold a single type of media, or any combination. The adjustable bracket design allows you to position drawers in 1" increments to meet your specific storage needs or height of your media. Ready to assemble. Dimensions: (Overall Exterior) 40" H x 39-1/2"W x 18"D and (Drawer Interior) 4"H x 31"W x 15"D. **Please specify colour:** Black with Black doors (-BLK) or Light Grey with Light Grey doors (-GRY).

| Cat. # | Description | Price |
|---------|------------------------|-----------|
| L78-550 | 5-Drawer Cabinet | \$2195.00 |
| L78-551 | 6-Drawer Cabinet | 2264.00 |

*Other colours available. Please inquire.

Media Carousel Plus

The Media Carousel Plus organizes 150 discs and can automatically serve up any in seconds! Use the keypad to retrieve discs, or use the USB connection and software to build a searchable database on your computer... one click and the disc is called up! A built-in single port USB hub in the Media Carousel Plus lets you connect another Carousel or other USB accessory, such as a mouse or scanner, without an additional hub. Requires Windows 98 SE/Me/2000/XP/Vista.

Features:

- Stores up to 150 discs
- Built-in 1-port USB hub
- Select discs by keypad – fast and easy
- Works with all 12cm discs up to 1.4mm thick
- Compatible with the original Media Carousel
- Provides increased privacy and security for your discs
- Larger, easy to read digital readout, with keypad selection
